School Bus Safety

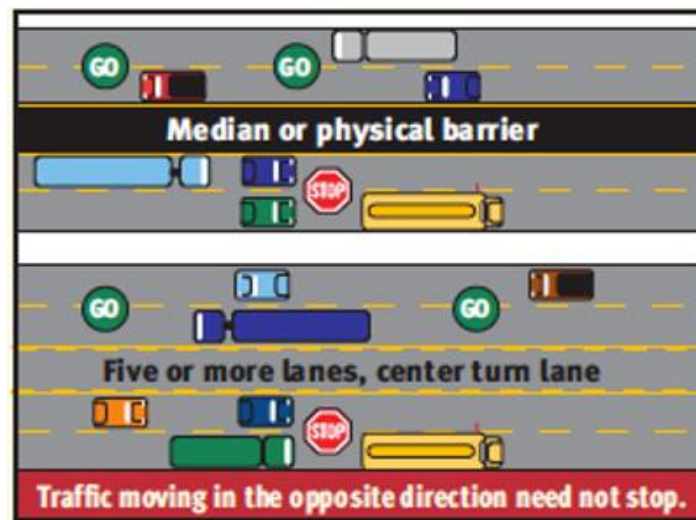

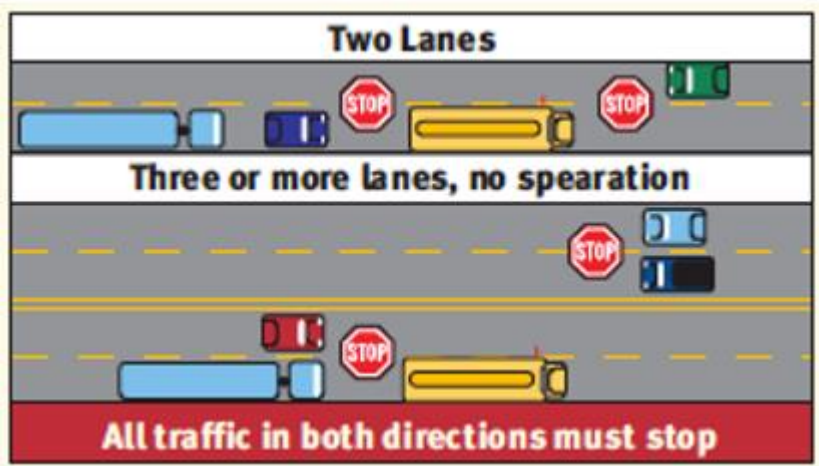

When do drivers have to stop for school bus with flashing red lights & stop arms?

DRIVERS MUST STOP

On a two lane road when approaching from front or rear of bus

On a road with 3 or more lanes, with no median or physical barrier (i.e., just a double yellow line) when approaching from front or rear of bus

On a road with 3 or more lanes with a median or physical barrier when approaching from rear of bus (drivers approaching from the front of the bus may proceed)

Safety

Joggers, Walkers, PT Formations

Employees are reminded to please observe the posted speed limits.

There are many children walking back and forth to school.

There are formations of Soldiers running during PT.

There are many residents and employees walking for exercise.

It creates a very hazardous condition when drivers do not observe these posted speed limits and could cause you to lose your driving privileges on

Dugway.

Public Works

New Projects

- **Contract for replacement of Air Handlers in building 4156 was awarded.**
- **Design-Build contract for installation of ground-source heat pumps in housing area has been awarded.**

Public Works

SNOW REMOVAL IN NON-HOUSING BUILDINGS

- **Maintenance Contractor provides snow removal on main thoroughfares to 5 feet from buildings, and in parking lots.**
- **Building tenants (as coordinated by the Building Responsible Official, or BRO) are responsible to ensure snow removal between the doorways and 5 feet from the building. The BRO does not have to be the one to accomplish the work.**
- **BROs are responsible to provide salt/shovels for each doorway that is used. These should be procured via GPC.**
- **An official BRO policy is being developed, and projected to be out for staffing by the end of October.**

Housing Demolition

- **The contract to demolish 110 housing units has been awarded by the Corps of Engineers. Demolition to be completed in the Spring.**
- **All remaining houses in West Wherry have been identified to be demolished.**
- **Remaining residents will be required to relocate.**
- **All contractor personnel have moved.**
- **Government personnel are awaiting funding to be moved.**

Winter Weather Preparedness

Winter weather is just around the corner. Housing residents are reminded to take the following steps to prepare their quarters for winter:

- **Disconnect all water hoses from exterior outlets and drain hoses for storage.**
- **During cold weather open cabinet doors in kitchens and bathrooms where water connections are located. And during sever cold weather leave water running in a small pencil size stream in bathrooms and kitchens.**
- **If going on vacation, inform the Housing Office and have someone periodically check your quarters.**

Housing Winter Safety Tips

- **Snow and ice should be removed from sidewalks and driveways as soon as snow stops falling.**
- **Streets are often very slippery during and after snow fall or freezing.**
- **Tree limbs often fall during very heavy snow fall. Please park your vehicle away from tree limbs if possible.**
- **Large icicles can form around entry doors and can be very hazardous.**
- **Garage doors should be kept closed at all times to preserve heat in the house and to help in keeping pipes from freezing.**

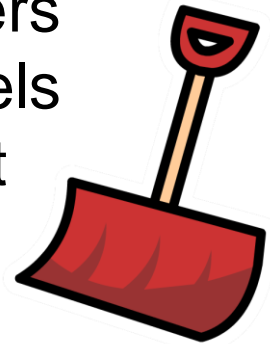

Self-help Store

The self-help store has a number of items that residents can borrow to help maintain your yard during the winter:

Items Available:

- Snow Blowers
- Snow Shovels
- Salt/Ice Melt

Hours for Trick or Treat

Dugway Housing hours for Trick or Treat

Monday Oct 31st: 6 p.m. - 8 p.m.

Those who wish to participate in trick or treat should have their porch light on and those who do not wish to participate should have it off. Be aware that parents and children may be in the street during this time so please drive slowly. We hope that everyone has a safe and fun Halloween.
